**ABSORB-IT PADS**

**100% NATURAL FIBER ABSORBENT PADS**

ABSORB-IT Ultra Absorbent Pads are a unique product that soak up spills and leaks quickly and easily. ABSORB-IT PADS features 100% solid, natural fiber construction. ABSORB-IT PADS absorb up to 25 times their weight in oil, solvent, paint, fuel, antifreeze, etc. In fact one ABSORB-IT PADS Pad will absorb an amazing 117 ounces of oil, almost a full gallon. Use ABSORB-IT PADS for all maintenance departments, shops, fleet repair, production line and processing & manufacturing applications. ABSORB-IT PADS are ideal for Spill Response Units and hazardous material spill kits.

**DIRECTIONS FOR USE:**

Store ABSORB-IT PADS near work areas or in spill response kits to make them easily accessible in the event of a spill or leak. Place pad under stream and position to absorb spill.

**Additional Information**

ABSORB-IT PADS are the latest in solid absorbent materials. This 100% natural fiber has a remarkably high density and absorbency ratio. ABSORB-IT PADS will absorb up to 25 times their weight in oil, coolants and many other non-aggressive or water-based liquids. In fact, the only liquids for which ABSORB-IT PADS are not recommended are Acids and Bases. For use in all fleet maintenance shops, transportation agencies, shipping companies, airlines and airfreight companies where fuel, oil and coolant spills are a constant problem and concern. ABSORB-IT PADS are handy to have around the shop or on service trucks, their lightweight yet highly absorbent natural fiber eliminate the need for heavy clay, corn, peat moss absorbents.
