Product # 3080 - Quarts
Product # 5080 - Bulk
Product # 504041 - 4x1

DIRECTIONS FOR USE:

To help remove and control organic odors, or to use as a light-medium duty deodorant cleaner for floors and hard surfaces: add 3 to 8 oz. of BRAZILIAN BREEZE per gallon of water and apply directly and thoroughly to the odor source or area to be cleaned.

For truly offensive odors, use up to full strength.

As an additive to mopping solution and rug and upholstery shampoos: Add 2 to 8 oz. of BRAZILIAN BREEZE per gallon of mixed solution. Product will not diminish cleaning ability of shampoos, soaps, or detergents.

As an air freshener and deodorizer for rooms, cars, etc.: Using a trigger sprayer, spray BRAZILIAN BREEZE toward center of room or directly on the area needing deodorizing.

CAUTION:

In case of eye contact, flush with water for 15 minutes. If irritation develops, seek medical attention. If ingested, drink plenty of water and seek medical attention.
