DRAIN MASTER

DRAIN MAINTAINER

SUPERCO'S DRAIN MAINTAINER is a microprocessor based chemical dispensing system for grease traps, drains, and odor control. This easy-to-use system stores up to 20 dispensing events per day, programmable by day, minutes or seconds. With an addition of the Misting Kit, **SUPERCO'S DRAIN MAINTAINER** becomes an advanced chemical spray system designed to spray deodorizing or sanitizing mist in a variety of applications such as trash compactors, roll-a-way garbage bins and other trash depositories.

- Microprocessor Based Controls
- High-impact Thermoplastic, Watertight Case
- LCD Display
- Self Priming
- Wall or Shelf Mounting
- Non-volatile Program Memory
- 115 Volt Transformer or 6 Volt Batteries

DRAIN MASTER MIST KIT

Superco's DRAIN MAINTAINER is a fully automated chemical dispensing system for automatic chemical maintenance for grease traps, drains and with its **MIST KIT** adapter for odor control. **Superco's DRAIN MAINTAINER** eliminates daily need for manually adding chemicals to your grease traps and drains. It can be programmed for up to 20 dispensing events per day. The addition of the **MIST KIT** will allow you to deodorize trash collection areas and dumpsters. For more information on the **DRAIN MAINTAINER** and **MIST KIT**, contact your local Superco Specialty Products representative.
