EASY SLIDE

Dry Silicone Food Grade Spray

EASY SLIDE Dry Silicone Food Grade Spray is designed to lubricate equipment used in the packaging and processing industry. **EASY SLIDE** leaves a non-staining, dry, pure silicone film to lubricate moving parts, reducing friction and wear. **EASY SLIDE** is an excellent product for food processing plants, restaurants, apparel and accessory manufacturing, tank closure seals, plastics, RV dealers, hotels/motels, machine shops, and as a release agent.

DIRECTIONS FOR USE:

Read cautions and directions carefully before use. Area to be lubricated must be clean & dry. Shake well before use. Hold can 6 - 8 inches from surface. Spray in short bursts. Spray no more than required to lubricate surface. Do not spray electrical equipment while in use. Wait 5 - 10 minutes before operating electrical equipment after using. Spray is dry. Do not expect a liquid. Use as directed. **EASY SLIDE** will not harm most surfaces.
