GERM AWAY

Foaming Germicidal Cleaner

GERM AWAY is an EPA registered and USDA authorized foaming cleaner and germicide. This water based foaming aerosol combines butyl cleaners, surfactants and emulsifiers with a quaternary germicide to give heavy duty cleaning of all surfaces. Safe for use on all bathroom surfaces. Will not harm chrome or metal surfaces. Kills MRSA and Influenza A H1N1 on treated surfaces. Kills Staphylococcus aureas, Pseudomonas aeruginosa, Salmonella enterica, Herpes simplex types 1 and 2; controls mold, mildew and fungus. Excellent for use on tile, chrome, plastic, wood, porcelain, formica and metal surfaces. Areas of use include bathrooms, bathtubs, floors, hospitals, nursing homes, shower stalls, mortuaries, medical facilities and locker rooms. Kills germs while cleaning away dirt, grease, soap scum and oil. Clinging foam stays where it is sprayed. Deodorizes and disinfects to eliminate malodors at the source.

DIRECTIONS FOR USE

DISINFECTION, DEODORIZATION AND CLEANING: This product is not to be used as a terminal sterilant/ high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high

level disinfection. Surfaces which come into contact with food must be rinsed with potable water after disinfection. To disinfect hard non-porous surfaces (such as glazed bathroom tiles, walls, fixtures, shower stalls, sinks, bathtubs, hampers, tables, chairs, HVAC catchpans and air conditioning evaporator coils), proceed as indicated below: (1) Shake can before using. (2) Hold six to eight inches from surface to be treated. (3) Spray area until it is covered with a white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing necessary. (4) Wipe off with a clean cloth, mop or sponge. For heavily soiled areas, remove gross soil before treatment. For animal quarters and kennels, veterinary clinics, animal life science laboratories, pet shops, kennels, breeding and grooming establishments, tack shops: Remove all animals, poultry, and their feed/food from premises. Remove all litter, droppings and manure from all surfaces to be treated. Apply **GERM AWAY** as directed above. **GERM AWAY** will disinfect and clean the following surfaces: Equipment, utensils, instruments, cages, kennels, stables, stalls and cattle pens. After disinfection, ventilate buildings, coops and other closed spaces. Do not house poultry, or other animals or employ equipment until treatment has been absorbed, set or dried. All treated equipment that will contact feed or drinking water (racks, troughs, automatic feeders, fountains, waterers and other similar equipment) must be thoroughly scrubbed with soap or detergent then rinsed with potable water before reuse.

Additional Information

GERM AWAY has been designed specifically for Homes, Nursing Homes, Hospitals, Institutions, Offices, Schools, Motels and Hotels. This product is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, bathrooms, shower stalls, bathtubs, hampers, cabinets and bed springs). In addition, this product deodorizes those areas which generally are hard to keep fresh smelling (such as garbage storage areas, empty garbage bins and cans, restrooms, shower stalls and other areas which are prone to odors caused by microorganisms). Efficacy tests have demonstrated that the product is an effective one-step cleaner disinfectant in the presence of organic soil (5% blood serum). This product is a versatile disinfectant and virucide for veterinarian and animal care applications when used as directed below. This product can be used in Veterinary clinics, animal life science laboratories, kennels, dog/cat animal kennels, breeding and grooming establishments, pet animal quarters, zoos, pet shops, tack shops and other animal care facilities. This product controls mold, mildew and the odors they cause on hard, non-porous, inanimate surfaces when used as directed. Contact your local **SUPERCO** representative for information and a demonstration of **GERM AWAY**.
