Additional Information

HANDY PACK Cleaning Towels are a superior value hand cleaner/towel combination. Each dispensing canister contains 25, perforated, easy-tear towels saturated with a special, heavy duty hand and surface cleaning solution. These towels are made from a textured polypropylene material. This small, easy to handle dispenser makes **HANDY PACK Cleaning Towels** perfect for toolbox or glove compartment. This texture aids in deep cleaning soils from your hands and tools while effectively dissolving grease, grime, oil, lubricants, paints, adhesives, inks, tar and more. Soils are lifted from your hands and captured in the heavy duty towel. **HANDY PACK Cleaning Towels** solution does not contain any strong solvents which defat the skin and rob it of essential fluids. **HANDY PACK Cleaning Towels** are authorized by USDA for use in federally inspected meat and poultry plants. Contact your local **SUPERCO** representative for a demonstration.
