INSECT REPELLENT INDIVIDUAL TOWELS

ALL NATURAL BIODEGRADABLE

INSECT REPELLANT INDIVIDUAL TOWELS are now available from Superco Specialty Products. These individually packaged towels are strong and long-lasting protection against ticks, mosquitoes, and other insects. **INSECT REPELLANT INDIVIDUAL TOWELS** are all natural oil, paraben free, with a biodegradable formula. **INSECT REPELLANT INDIVIDUAL TOWELS** are fortified with Sesame Oil, Olive Oil, Wheat Germ Oil, and Vitamin E.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Open package, remove and unfold towelette. Use as many towels as necessary to ensure even and liberal coverage before insect exposure. Adults may need to use more than one towelette. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply under clothing, on cuts, wounds or areas freshly shaved. Use just enough repellent to cover exposed skin. Avoid over application of product. Do not allow children to handle this product. Do not apply directly to children's hands.

STORAGE & DISPOSAL

STORAGE: Store in a cool dry place away from heat or flame.
DISPOSAL: If Empty: Do not reuse container. Place wrapper in trash.

PRECAUTIONARY STATEMENT: HAZARDS TO HUMANS.

CAUTION: Harmful if swallowed. Causes moderate-mild eye irritation. Wash thoroughly with soap and water after handling, returning indoors, and before eating or using tobacco. Wash treated clothing before wearing again. Discontinue use and consult a doctor if irritation or rash occurs.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove Contact lenses, if present, after the first 15 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

PHYSICAL HAZARDS: FLAMMABLE. Keep away from heat and open flame.

ALERT: Ro avoid danger of suffocation, keep this and all other plastic bags away from babies and children. Do not use in cribs, beds, carriages or playpens. The thin film may cling to nose and mouth and prevent breathing.

Minimum Risk: Pesticide Exempt under FIFRA Section 25(b).
