KLEEN SHINE B

Concentrated Liquid Vehicle Wash

KLEEN SHINE B is a highly concentrated, bio-degradable liquid shampoo that produces strong, long lasting suds. Strong suds keep soil in suspension while vehicle is being washed. **KLEEN SHINE B** is non-streaking and easy to use.

DIRECTIONS FOR USE:

Mix to desired strength with water. Hose complete vehicle with plain water. Apply solution with sponge, brush or pressure spray. Agitate thoroughly, hose rinse and wipe dry.

Typical Dilutions With Water: Use 1 part concentrate with 256 parts water. Adjust dilution to desired strength for extremely dirty conditions.

Este producto es un champu liquido altamente concentrado que produce una espuma firme y duradera. La espuma firme conserva las manchas en suspension mientras el vehiculo es restregado. Este producto no deja marcas y se enjuaga facilmente.

DIRECCIONES:

Mesclelo directo con agua. Moje el vehiculo completamente con agua, aplique la solucion con esponga, brocha o rocielo a presion. Enjuagelo con mangera y sequelo.

Dilucion Tipica Con Agua: Use 1 parte del concentrado por 256 partes de agua. Ajuste la solucion de acuerdo a las estremadas condiciones de suciedad.

Additional Information

KLEEN SHINE B is a remarkable product in keeping with **SUPERCO SPECIALTY PRODUCTS** reputation for quality, performance and usability. Many vehicle wash products are caustic, corrosive and very difficult to work around. **KLEEN SHINE B** is a concentrated, pH balanced, bio-degradable powerful cleaner allowing dilution ratios of up to 256:1 (or ½ ounce per gallon) while still having the ability to cut through road film, grime, dirt and other soils. **KLEEN SHINE B** produces long lasting suds that rinse easily leaving no residue to cause streaking or dulling. This advanced formula may be used with pressure washers, automatic wash bays, foaming guns & brushes or in a simple hand wash application. Contact your local **SUPERCO SPECIALTY PRODUCTS** representative for a demonstration.
