Contains no hazardous ingredients as listed in the following references: (1) CFR 29, 1910.1000, subpart Z, REV 01JUL88; (2) The Director's List of Hazardous Substances (CA); (3) Threshold Limit Values and Biological Exposure indices for 1989-1990 (ACGIH)

LAUNDRA P.S.
Spot Remover

This new and different spot remover is non-flammable, pleasantly scented, free from chlorinated solvents, colorless, easy to use yet efficient. **LAUNDRA P.S.** removes difficult spots and stains. This product works very satisfactory when used as directed on old or new spots, oil, fats, creams, make-up, lipstick, face cream, chocolate, marmalade, liqueur, coffee, grass, water, animal fats, stamp pad ink, typewriter ribbon smears, crayons, shoe polish and floor wax.

DIRECTIONS FOR USE:

For water stains, water rings, beverages, liqueur, juice, coffee, etc., apply **LAUNDRA P.S.** cold and work in lightly with a soft brush and scrub. Then place a towel on top of the stain and step on towel causing stain to be blotted up. For grease, oil and creams, always scrape off deposits first. For fingernail polish, gum, candy, chocolate, tar and other difficult stains, bring **LAUNDRA P.S.** to a boil and apply using general directions. On pet stains, scoop up fecal matter and apply **LAUNDRA P.S.** as directed above. Repeat if necessary. Pet stains can usually be removed easily in cotton and synthetic carpets if attention is given 6 months after stain has occurred.

Do not use on wool carpets, oriental rugs, silk or velvet. Hair oil, Vaseline and other grease spots on sofas are removed by using **LAUNDRA P.S.** cold and follow the above directions.

Add it ion al I n f o r m a t i o n

LAUNDRA P.S. is an industrial strength carpet and upholstery spot remover designed to help the floor care professional eliminate the toughest spots and stains. Carpets in hotels, convention centers, museums, office buildings and other public facilities get a great deal more use and abuse. In these areas carpet spot cleaning is done on a daily basis and the faster and more effective the product is the less time this task takes each day. **LAUNDRA P.S.** is so fast and easy to use that hours of labor can be saved each week. Another concern is that a cleaner used on carpet everyday or every week needs to be safe to use and safe on the carpet itself. **LAUNDRA P.S.** is the ideal carpet spot remover to be used in any institutional application. For more information on **SUPERCO's** complete line of carpet and floor care products for professionals contact your local sales representative.
