LAUNDRA SOFT
Fabric Softener

For soft and fluffy baby clothes, woolens, cottons, etc. Ironing is made easier and faster. Clothes are softer, last longer and look newer. This product reduces harshness and hardness from detergents. It restores softness and fluffiness to towels and all washables without reducing wetting. **LAUNDRA SOFT** is non-yellowing and it eliminates static in synthetics and silk. It keeps perma-press fabrics wrinkle free.

DIRECTIONS FOR USE:

Use 1/8 cup for a 4 to 5 pound load. Use 1/4 cup for a 8 to 10 pound load. Add to the final rinse only. Do not add bluing, starch or bleach.

Automatic Washers: Follow manufacturers instructions. Add to the final rinse.

Wringer Washers: Add to the final rinse. Agitate for 3 to 4 minutes.

Hand Washing: Lingerie and other delicate fabrics. Add 1 teaspoon per pound of fabrics to final rinse.

Additional Information

LAUNDRA SOFT Concentrated Fabric Softener is an industrial strength, high quality product designed for the professional laundry service, hotel and hospital housekeeping departments and commercial uniform supply industries. This highly concentrated formula is mild and non-toxic and provides exceptional results. **LAUNDRA SOFT** restores softness and fluffiness to all washable fabrics, controls static cling and makes the task of ironing faster and easier. For many laundry operations, the use of fabric softener is optional because the loads still get clean. However, fabrics are not only softer but also last longer with the use of **LAUNDRA SOFT**. Clothes rinsed with **LAUNDRA SOFT** are significantly softer and more comfortable and this difference will certainly be noticed by customers and guests. Make the extra effort for those people wearing the garments and using the linen your service launders and they will be grateful and loyal patrons.
