LAVULOSO

The Fabulous Lavender Cleaner

Lavender scented **LAVULOSO** cleans, deodorizes and degreases in one step. It is specially formulated with all natural ingredients which are safe to the environment but have the extra punch for the toughest cleaning jobs.

LAVULOSO can be mixed to meet light, general, or heavy duty jobs. This formula emulsifies grease and oil with high-powered s e q u e s t r a n t s , penetrants and wetting agents that break up surface tension for superior cleaning.

All ingredients in LAVULOSO are generally considered non-hazardous, non-toxic, and non restricted

DIRECTIONS FOR USE:

COMPOSITION FLOORS: 3 - 4 ounces of **LAVULOSO** per gallon of water will remove soils from waxed surfaces, without removing most water resistant finishes.

WALLS: Use 1 ounce per quart of water. Wash surface with a cloth or wash mitt damped with **LAVULOSO** solution, then wipe dry with cloth. For spot cleaning heavily soiled areas and unpainted surfaces, use 8 - 12 ounces per gallon of water.

LARGE AREAS OF UNPAINTED WALLS: Use a dilution of 1 - 2 ounces per gallon of water. Apply with a pressure sprayer, spray or mop on, allow to soak several minutes, then flush of with water.

KITCHENS: Use to clean vent hoods, blowers, ducts, counter tops, stove, refrigerator, and surfaces. Use a dilution of 1:10 in hot water. Greasy soils and fats may be rinsed off. Wear rubber gloves.
