Additional Information

OCEAN BREEZE antibacterial foaming hand soap is formulated with Lanolin, Glycerin, PCMX and Aloe Vera to protect hands from drying out. OCEAN BREEZE makes a rich, thick, and creamy foam. Laboratory tests have proven that PCMX is effective against a wide variety of disease causing bacteria and germs. OCEAN BREEZE comes in a convenient easy push dispenser that generates an even portion of foam to wash hands up to 350 times per 19 oz container. For more information on OCEAN BREEZE, contact your local SUPERCO SPECIALTY PRODUCTS representative.
