

POWERHOUSE MEGA

Large Area Odor Control

POWERHOUSE MEGA helps control big odors that need to be eliminated. **POWERHOUSE MEGA** uses a unique formula that controls odors for up to 30 days and uses a powerful odor counteractant fragrance and metazene molecular odor neutralizer.

POWERHOUSE MEGA requires no batteries or electricity to use and is very user friendly. Hang it up in the desired location and enjoy the smell of a clean room.

CONTROL THE INTENSITY!

Hang multiple **POWERHOUSE MEGA's** to increase the fragrance.
