 - Exhaust Vents
 - Engines
 - Anywhere Grease & Grime exist

PRODUCT # 4033

**FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.**

ENVIRONMENTALLY FRIENDLY PRESSURE WASH IN A CAN

PRESSURE WASH is a unique aerosol foam which enables simple and easy cleanup of tools, parts, workbenches, vent covers, machinery, coils, Industrial equipment, concrete & more! **PRESSURE WASH** sprays as an engulfing heavy duty foam that clings to surfaces and provides extended cleaning contact time.

USE ON: DIRTY ENGINES, GREASY, OILY MACHINERY, TOOLS, LAWN EQUIPMENT, CONSTRUCTION EQUIPMENT, ROAD EQUIPMENT, DRIVEWAYS and PARKING LOTS, INDUSTRIAL EQUIPMENT, AIR CONDITIONING COILS, EXHAUST VENTS and MORE!

DIRECTIONS FOR USE:

Shake well before using. For best results, spray directly onto soiled surfaces. Look for self-indicating foam to become dirty, then flush with water stream. For difficult to remove stains and soils, allow foam to remain on surface for several minutes before flushing. Repeat application as needed. A stiff bristle brush may be useful for loosening stubborn soils.
