

SOY GRAFFITI & DEGREASING WIPES

SOY GRAFFITI & DEGREASING WIPES are a soy based, highly effective, low VOC, non-flammable bio-based and environmentally sound product. **SOY GRAFFITI & DEGREASING WIPES** are easy to use wipes that easily remove graffiti, magic marker, crayon, adhesive residue, lipstick, paints, scuff marks, stickers and more from hard non-porous surfaces. This aggressive easy to use system features a coarse yet non-abrasive texture that makes graffiti cleaning fast and easy. Safe on most plastics, Plexiglas and reflective signs, no other method of removing vandal's marks is as convenient as **SOY GRAFFITI & DEGREASING WIPES**.

DIRECTIONS FOR USE:

1. Remove lid and discard seal. From center of towel roll, pull towel corner, twist into point and thread through hole in lid. Pull through about 1 inch. Replace cover and pull out towel and snap off at 90°. Remaining wipes will feed automatically. Keep cap closed when not in use.
2. Unfold towel and lightly scrub in a circular motion to dissolve graffiti. Continue until graffiti has been removed or repeat with a fresh wipe if necessary.
3. Remove any remaining residue with a clean cloth. Properly dispose of all waste. Use solvent resistant gloves and wash after skin contact.
