STERI SKIN SANITIZER

STERI SKIN SANITIZER is a refreshing alcohol-based sanitizer that kills 99.9% of most illness-causing germs. Germs transferred by hands are the #1 reason people become ill. **STERI SKIN SANITIZER** kills germs that cause these illnesses. **STERI SKIN SANITIZER** is safe on hands, and you may reapply as often as needed. It does not replace handwashing to remove heavy soils, but it is an important step in keeping hands germ-free. Reduces workplace and school absenteeism by as much as 20%.

DIRECTIONS FOR USE:

No water or towels required. Apply a small amount of **STERI HAND SANITIZER** to clean, dry hands. Rub lightly until dry. Will air dry in 15 seconds leaving hands with a clean, fresh citrus fragrance.
