SILVERFISH & WATERBUGS

Product # 5130

**FOR PROFESSIONAL USE ONLY**  
CONSULT LABEL AND MSDS BEFORE USING.

ACTIVE INGREDIENTS	BY WEIGHT
DIAZINON (0,0-Diethyl 0-(2-isopropyl-6methyl-4-pyrimidinyl) phosphorothioate	0.500%
PYRETHRINS	0.052%
*PIPERONYL BUTOXIDE, TECHNICAL	0.260%
PETROLEUM DISTILLATE	0.153%
Inert Ingredients	99.035%
*Equivalent to 0.208% (butylcarbityl)(6-propylpiperonyl) ether and 0.052% related compounds	

## Additional Information

**TO KILL CARPET BEETLES:** Spray edges of carpeting and under carpeting and rugs. Make localized applications to the floor and baseboards. Spray directly into cracks, crevices, closets and infested areas of shelving. Repeat as necessary.

**TO KILL FLEAS AND BROWN DOG TICKS INDOORS:** Clean premises thoroughly before treatment. Using a coarse cone or fan spray, treat the entire floor and carpet area. Special attention should be given to cracks, crevices and under carpet and rug edges. Also treat animal sleeping quarters, closets, upholstered furniture (with particular attention to seams) beds, under sofas and other furniture. In animal sleeping quarters, bedding should be cleaned or replaced with fresh bedding. Do not use this application in nurseries or any area where infants may sleep.

**TO KILL FLIES, WASPS, MOSQUITOES, SMALL FLYING MOTHS:** For outdoor use only as an aid in reducing annoyance from these pests Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures or porches, in garages and other places where these insects alight or congregate.

**TO KILL FLEAS, CHIGGERS, ANTS OUTDOORS:** For treatment of localized infestation of these insects in outdoor areas, spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestation occur.

For spot applications only. Do not use as a space spray. Spray infested surfaces until wet. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

**TO KILL COCKROACHES, CRICKETS, SPIDERS, SILVERFISH & ANTS:** Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks, crevices, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, cabinets and around garbage cans, plumbing and other utility installations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points if entry. Repeat treatment as necessary.

Apply at the rate of approximately 1 gallon to 750 sq. ft. (17 fl. oz. per 100 sp. ft.). To avoid reinfestation, pets must be treated simultaneously, with an E.P.A. approved insecticide labeled for use on animals. beds, under sofas and other furniture. In animal sleeping quarters, bedding should be cleaned or replaced with fresh bedding. Do not use this application in nurseries or any area where infants may sleep. Apply at the rate of approximately 1 gallon to 750 sq. ft. (17 fl. oz. per 100 sp. ft.). To avoid reinfestation, pets must be treated simultaneously, with an E.P.A. approved insecticide labeled for use on animals.

Application should be repeated as necessary. Humans and pets should avoid contact with treated surfaces (rugs, upholstered furniture, etc.) for 4 hours after treatment.
