Contains no hazardous ingredients as listed in the following references: (1) CFR 29, 1910.1000, subpart Z, REV 01JUL88; (2) The Director's List of Hazardous Substances (CA); (3) Threshold Limit Values and Biological Exposure indices for 1989-1990 (ACGIH)

SUPER SUDS All Purpose Cleaner is a remarkable product that is powerful enough to clean the toughest grease and grime yet not harm sensitive surfaces like wood, painted walls, fabrics, exotic stone floors, plastics, and finished or waxed floors. **SUPER SUDS** is highly concentrated to allow the user the ability to mix the product to perform any cleaning task. Environmentally safe, **SUPER SUDS** is also very user friendly, giving good cleaning power without the side effects common to alkaline detergents. If your concerned about harming the surface you need to clean, use **SUPER SUDS**.

DIRECTIONS FOR USE:

Application: Dilute product appropriately into hand sprayer or mop bucket. Apply solution and allow to set a few minutes then clear water mop, wipe or rinse with water. NOTE: When wet mopping finished floors always use cold water.

Dilution Rates:

All floors other than wood
2 ounces per gallon

Wood floors
2½ ounces per gallon

Indoor athletic floors
& Heavy traffic areas
16 ounces per gallon

Glass, fiberglass & aluminum
1½ ounces per gallon

Ceramics, porcelain, metals
2 ounces per gallon

Painted walls & woodwork
3 ounces per gallon

For best results, wet surface prior to cleaning. Above dilution ratios are given as a suggested guideline. Your experience gained by using this product will determine the best mixture.

Add ition al Inf or mat ion

SUPER SUDS is an incredibly versatile cleaning product. Highly concentrated, the user can virtually clean anything no matter what kind of soil or how dirty the surface. Simply mix this product until the desired performance level is achieved. From dishes to diesel trucks, **SUPER SUDS** can tackle the job without the adverse effects commonly associated with caustic detergents. This neutral pH formula is ideal for wet mopping finished floors. **SUPER SUDS** cleans beautifully and leaves the floor finish nice and shiny without fogging or streaking. Looking for economy, **SUPER SUDS** high level of concentration means that you only use a few ounces of product to every gallon of water. This kind of use mixture costs only pennies per gallon. **SUPER SUDS** features fast action cleaning power and an anti-fogging solution both of which will save you time and labor. Ask your **Superco Specialty Products** representative for a quick demonstration of **SUPER SUDS** and the rest of our Quality Floor Care line.
