SUPERSHINE

Concentrated Liquid Vehicle Wash with Wax

SUPERSHINE is a highly concentrated, bio-degradable liquid shampoo that produces strong, long lasting suds. Strong suds keep soil in suspension while vehicle is being washed. **SUPERSHINE** is non-streaking and easy to use.

DIRECTIONS FOR USE:

Mix to desired strength with water. Hose complete vehicle with plain water. Apply solution with sponge, brush or pressure spray. Agitate thoroughly, hose rinse and wipe dry.

Typical Dilutions With Water: Use 1 part concentrate with 200 parts water. Adjust dilution to desired strength for extremely dirty conditions.

Este producto es un champu liquido altamente concentrado que produce una espuma firme y duradera. La espuma firme conserva las manchas en suspension mientras el vehiculo es restregado. Este producto no deja marcas y se enjuaga facilmente.

DIRECCIONES:

Mesclalo directo con agua. Moje el vehiculo completamente con agua, aplique la solucion con esponga, brocha o rocielo a presion. Enjuagelo con mangera y sequelo. Dilucion Tipica Con Agua: Use 1 parte del concentrado por 200 partes de agua. Ajuste la solucion de acuerdo a las estremadas condiciones de suciedad.

Additional Information

SUPERSHINE Concentrated Car Wash Detergent with Carnauba Wax is the same fantastic product as our **KLEEN SHINE** with the addition of Carnauba Wax to leave a protective shine on the vehicle. Our super-concentrated, bio-degradable, pH balanced formula provides superior sudsing and cleaning ability, even at dilution ratios up to 200:1, while at the same time being mild on the user. The Carnauba Wax added to the product brings out a nice shine without the need for buffing. Use **SUPERSHINE** safely on any surface or type of paint without worry. If you want the best, use **SUPERSHINE** from **Superco Specialty Products**. For a demonstration contact your local **Superco Specialty Products** sales representative.
