Additional Information

Superco's new air freshener technology is like none other. When the **SUPER-CELL** is made and the plastic is heated into a liquid, at that point the fragrance is added. The product then cools and the fragrance is impregnated into the cell. The **SUPER-CELL** will last up to 45 days and the fragrance is time released into the area that you want it to be placed.

The **SUPER-CELL's** unique fragrances are designed for up to 45 days performance and out perform gels, wicks, and aerosols and cannot spill or break. **SUPER-CELL's** unique patent pending material contains 30 times more air freshener than standard rimsticks. **SUPER-CELL** requires no dispenser or batteries, is easy to use, environmentally friendly and is 100% easily recyclable.
