Middle Durability Strip Improves

Performance & Prolongs Use

Effortlessly rub wet Assistant across stubborn stains and marks and watch them miraculously disappear. The Assistant removes set-in dirt & grime from any hard surface. Removes water stains & soap scum from tile. Also cleans leather seats and vinyl furniture, etc. Ideal for detailing, shining, and restoring hard smooth surfaces. Also great on chrome, brass, copper, glass, plastic, vinyl, leather, appliances and much more.

Removes the following...

- Adhesives
- Paint
- Graffiti
- Crayon
- Ink
- Juice
- Dirt/Grime
- Magic Marker
- Hard Water Stains
- Permanent Marker
- Coffee
- Tea
- Wine
- Scuff Marks
- Bugs & Tar (Auto)
- Wax Build-up

Simply wet The Assistant and gently squeeze out excess water. Lightly scrub until stain is removed. Requires only water. For optimal results, follow with a dry cloth.
