

ENVIRONMENTALLY FRIENDLY

**FRESH & DRY TROPICS / BREEZE
NEW CAR / LINEN
DryAir Freshener**

FRESH & DRY TROPICS/BREEZE/NEW CAR/LINEN powerful spray completely eliminates obnoxious odors in the air and will not stain or fog windows, floors, furniture, etc. These two unique products control odors entrapped in textiles such as carpeting, upholstery, draperies, fabric and clothing. Used as a room deodorizer **FRESH & DRY TROPICS/BREEZE/NEW CAR/LINEN** controls and changes the air from floor to ceiling.

USED IN:

Hotels, Motels, Public buildings, Apartments, Laundry hampers and shoots, Gym lockers, Auto interiors, Restaurants, Carpeting, Drapery, Restrooms, Etc.

DIRECTIONS FOR USE:

To deodorize air: Spray wherever odors occur. Can sprays from any position. Allow a few seconds for fragrance to bloom.

To deodorize textiles: Hold can 12 to 15 inches from surface and direct spray evenly. At this distance, spray will not stain even delicate fabrics.

NOTE: Special valve allows spraying in either the right side up or upside down

position..

Additional Information

Foul odors are a problem wherever they exist. Unfortunately, bad odors can often embed themselves into couches, wallpaper, drapery, carpets and clothing compounding the problem. Spraying air fresheners alone only works for a short period of time because they only cover-up the bad smell in the air they do not solve the problem. **FRESH & DRY TROPICS / BREEZE / NEW CAR / LINEN** Earth Friendly deodorizer is a permanent solution to the odor problem. As a space spray, **FRESH & DRY TROPICS / BREEZE / NEW CAR / LINEN** chemically neutralizes the airborne odors so that as the fragrance fades the odors do not return. When the source of the odor is entrapped in textiles like carpets, upholstery and wallpaper applying **FRESH & DRY** directly onto these surfaces will eliminate these odors without staining even delicate fabrics. **FRESH & DRY TROPICS / BREEZE / NEW CAR / LINEN** is a completely dry product. Use this spray in areas where oily fallout from other products can create slippery spots on tile, wood, stone, and waxed floors. **FRESH & DRY TROPICS / BREEZE / NEW CAR / LINEN** is one of many Earth Friendly aerosol products from **Superco Specialty Products** all of which are packaged in recyclable cans that are manufactured out of at least 25% recycled steel. Use one of these fine products and help us protect our precious natural resources.
