CRYSTAL VIEW

Durable Hi-Gloss Polymer Floor Finish

CRYSTAL VIEW is a high-solids, high gloss polymer floor finish. Once applied, **CRYSTAL VIEW** provides exceptional shine and protection for all types of tiles and synthetic floors. **CRYSTAL VIEW** prevents black heel and rubber burn marks. Easy to maintain...just mop and allow to dry.

DIRECTIONS FOR USE:

Strip off old floor finish thoroughly and rinse completely with water. Allow floor to dry. Apply two thin even coats of **CRYSTAL VIEW** at a rate of 2000 square feet per gallon. Allow each coat to dry for 20 minutes before reapplying. Sweep floor and mop daily with Superco's SUPER SUDS neutral floor cleaner for best results. May be spray buffed if desired.
